

V2 WORK DECK

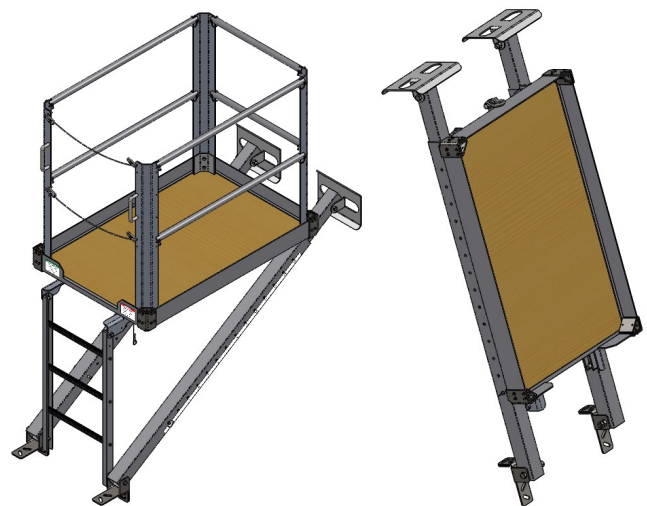

part no. 11-341

Product Description

Wurtec's patented **V2 Work Deck** provides a safe and sturdy work platform that allows access to hard to reach areas at the top of the hoistway. The Work Deck can accommodate a wide range of hoistway depths and fits inside most standard entrances.

Features

- 14 different hoistway depth configurations
- 3/4" exterior grade plywood floor withstands harsh work environment
- Aluminum handrails, kickplates, and barrier chains provide safe working area
- Collapsible design allows for improved hoisting, handling, and storage

11-341	specifications
