

2:1 ROPE CHANGE-OUT TOOL

Pictured with clips. Clips sold separately.

Specify cable size for 2:1 rope change-outs up to (6) wire ropes. You must add the extension brackets for all change-outs from 7-9 ropes.

Product Description

Wurtec's 2:1 Rope Change Out Tool is a USA-made tool that enables you to replace a maximum of 9 wire ropes safely and efficiently. Each kit comes with complete installation instructions to guide you through the process of rope replacement.
