

Jack Alignment Plumb Bob

Part No. 10-505

Product Description

This 3.7lb. (1.68kg) steel plumb bob will provide you with a simple and easy way to plumb your hydraulic cylinders. By inserting the appropriate bolts in the three holes provided, nearly any diameter greater than 3-1/2" (88.9mm) can be obtained. The plumb bob is plated to prevent rust and comes with three 1/4-20 x 2-1/2" (6.35mm-20 x 63.5mm) long screws

Part No.	Description	Weight (kg)
10-505	Steel Plumb Bob	3.7 lbs. (1.68 kg)
