

WIRE ROPE RETIREMENT GAUGES

Product Description

Wire rope retirement gauges are designed specifically to provide assistance in administering the retirement criteria for wire rope, as specified by the A17 standard for elevator wire rope. If the 6- or 8-strand rope, with or without rouge, fits into the appropriate slot on the gauge, the rope must be evaluated for retirement per ASME.

Part No.	Color	Sizes
10909	Red	Metric: 10 mm, 11 mm, 12 mm, 13 mm, 16 mm, 18 mm, 19 mm
10910	Blue	Imperial: 3/8", 7/16", 1/2", 9/16", 5/8", 11/16", 3/4"
11290	Orange	Metric & imperial: 4 mm, 5 mm, 6 mm, 1/4", 6.5 mm, 6.7 mm, 8 mm, 5/16"
10911		Kit - includes red, blue, & orange
